Saurav Kumar
Front-End Web Developer

I am Saurav Kumar, a skilled and motivated Frontend Developer with a B.E. degree from RKDF University and six months of intensive bootcamp training from Primathon Academy Pvt Ltd. I am proficient in HTML, CSS, and JavaScript, with expertise in modern frontend frameworks like React. I am eager to contribute to a dynamic team and continuously expand my knowledge in the rapidly evolving field of technology. I am seeking a challenging opportunity where I can fully utilize my skills for the success of the organization.

Experience

Nov 2022 -Present

Primathon Academy Pvt Ltd

Frontend Developer Trainee

- I have gained knowledge for Developing and maintaining web applications that are optimised for various devices and browsers.
- Implementing responsive design and cross-browser compatibility for different screen sizes.
- I learned user-friendly and interactive web features such as buttons, forms, and menus.
- Using JavaScript libraries and frameworks such as React to build complex web applications and interactive features.
- Writing and maintaining code that is clean, efficient, and easy to understand.
